Autumn Term

The children and staff have had a busy half term. We enjoyed our Roald Dahl writing and art project, and we hope that those parents who were able to join us for the open afternoon appreciated how hard everybody had worked. The displays around school are wonderful!

The MacMillan coffee afternoon, which doubled as our open afternoon, was a great success. Thanks to everybody who came along to support this charity event and helped us to raise £420.

Forest School is back! Throughout the year each class will take part in four sessions over four weeks. Reception and Year 1 have already taken part in two of their activity sessions and they are having a great time.

Next half term will be even more busy with the lead up to Christmas, so please look out for letters regarding performance dates and school visits.

We would love to hear from anybody who would like to become a school governor. If you are interested, or know someone else who might be, please contact the school office or come and chat to one of our governors.

MEMOS Rucksacks/ large bags

May we remind parents again that children must not bring rucksacks or large bags to school. They are causing a fire and trip hazard in the corridors. Book bags and PE bags only please!

Cold Weather

Autumn has well and truly set in and the weather will get colder over the next few weeks. Please ensure children wear a coat each day, as they may not be allowed to play outside during playtimes if they don't have one!

PUPIL PREMIUM

To apply for free school meals all you have to do is call: **0300 123 7039**. If your child is in the infants, it is still really important that you claim so that your child is registered for pupil premium, which entitles them to reduced cost of trips, after school clubs and a uniform allowance.

Friday 27th October 2017
