New Year, New Babies!

We would like to send our warmest congratulations to Miss Danielles and Mrs O'Neill whose babies have both arrived since Christmas.

Miss Danielles had her baby boy on Monday 8th January. Little Ashton weighed in at 7lb 6oz.

Mrs O'Neill had her baby girl on Wednesday 17th January. Baby Lumen weighed in at a healthy 8lb 1oz.

Mummies and babies are all doing well!

READING AT HOME

We have a small number of children who are not regularly reading to an adult at home. We cannot stress enough the importance of supporting your children's learning, and school expects children to read at least three times a week.

If diaries are not signed by an adult, then we assume children have not read at home and they are usually asked to stay in at playtime to read to a member of staff.

Please help us to help your children make the progress they deserve!

MEMOS

RUCKSACKS & LARGE BAGS

May we remind parents again that children **MUST NOT** bring rucksacks or large bags to school. They are causing a fire and trip hazard in the corridors. Book bags and PE bags only please!

Those who continue to flout this rule will have to empty the contents of their bags into their drawers each day.

We will only make an exception for children who come to school on bikes.

SCOOTERS & BIKES ON THE PLAYGROUND

We would like to remind you that children are not allowed to ride on scooters and bikes in the school grounds either before or after school. They must dismount at the school gate.

ATTENDANCE AT SCHOOL

In the last few years we have been very proud to have been graded as 'green' for attendance in the local authority, with very few pupils failing to attend school below 95% of the required time.

Recently, school has fallen into the 'amber' category due to a number of children with regular poor attendance and because parents are not telephoning school to report a reason for absence. Please note that you must contact school before 9.30am to receive an authorized absence mark.
